Our school strategies are on track to meet or exceed our targets

During 2015, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Engaging teacher aides to support classroom teachers in maintaining the school reading and Support-A-Talker Program.
- Releasing teacher one day each term for data analysis/review + development of ILPs
- Mentoring/coaching staff in explicit instruction in literacy.
- Extension of the School Reading Program to include focused one-to-one reading instruction at key junctures in the year.
- Monitoring and identifying students requiring Individual Learning Plans.
- Implementation of Support-A-Talker to support students identified with speech and oral language difficulties.
